

**Press On In Christ Jesus**  
**Philippians 3:9-16**

**We press on in knowing our positional righteousness in Christ Jesus. Philippians 3:9**

This is righteousness that we receive from God.

It is given to us when we trust in Jesus.

It is based on Christ's sacrificial death for us.

We often describe it as *imputed righteousness*.

**We press on in our personal relationship with Jesus Christ. Philippians 3:10-11**

Paul's aim is not to just know **about** Christ, but to know Him personally, intimately, experientially

**We press on in our practical righteousness in Christ Jesus. Philippians 3:12-16**

We need to reckon on the fact that we have not arrived at perfection.

We need to press on in becoming more like Christ.

We need to forget what lies behind us.

We need to look forward to what lies ahead.

We need to press on in finishing what God has called us to do.

We need to continue to grow in our walk with the Lord and not regress.
